

Student Packing Tips

REMINDERS

- Don't over pack. Pack lightly since you will be responsible for handling your luggage throughout the trip.
- Put your name on all personal belongings.
- Leave all valuables at home.

IF YOU'RE FLYING:

- Adults, 18 and older, are required to show government issued photo ID (i.e. driver's license or passport).
- Minors, 17 and younger, are not required to show ID, though we still suggest they bring some identification with their name on it (i.e. school ID or credit card).
- Visit <https://www.tsa.gov/travel/security-screening/liquids-rule> for restrictions on liquids packed in checked baggage.
- Most airlines charge for checked bags. If you can't fit it into a carry-on bag, consider sharing a suitcase with a roommate so you can split any applicable fees.

ITEMS TO PACK:

- Comfortable walking shoes
- Photo ID
- Money— About \$100-150 is enough spending money to cover any meals not included in the tour package plus a little spending money for souvenirs.
- Season appropriate clothing (one outfit per day)
- Rain gear/Umbrella/Windbreaker
- Sleepwear
- Toiletries including toothbrush, toothpaste, deodorant, etc.
- Ziploc bags for items that might leak
- Chargers for cell phone
- Sunglasses
- Sunscreen
- Eyeglasses, contact lenses, solution (if applicable)
- Medications and copies of prescriptions

In addition, plan ahead for gratuities. It is customary to collect about \$2-\$3 per day to show your appreciation for your tour guide and about \$1 per day for your bus driver.
