FUNDRAISE THROUGH YOUR TRIP ACCOUNT

For groups using the Junior Tours online registration portal, students can share a personal crowdfunding link with family and friends. Contributions are applied directly to the student's trip account.

Group fundraising proceeds can also be added through bulk credits, making it easy to apply funds across student accounts when needed.

PLANNING ANOTHER FUNDRAISER?

Tell us what you're planning. Junior Tours can create custom promotional materials to help you spread the word.

- Custom flyers
- QR code handouts
- Shareable graphics
- Parent communication
- Group-specific materials

Need something different? Just ask. We are always happy to create new materials for your group.
