

Junior Tours

Online Registration Portal

A simpler way for families to register, pay, and stay on track.

Our online registration portal makes it easy for families to register, make payments, and stay on track, while giving trip leaders a clear dashboard to follow progress.

HOW IT WORKS FOR FAMILIES

1. Register Online

Families visit the registration page, enter the tour code, create an account, add traveler information, and register for the trip.

2. Make Payments Securely

Families can pay by credit card or e-check, view their payment schedule, receive reminders, and set up AutoPay.

3. Stay Informed

Families receive automatic payment reminders, trip updates, and important announcements.

4. Optional Trip Protection

Trip protection is offered during registration and is integrated into the process.

POWERFUL TOOLS FOR TRIP LEADERS

Real-Time Dashboard

See who has registered, who is current with payments, and who still needs to complete registration.

Communication Tools

Send text or email announcements to all or part of your group.

Simple Payment Management

No collecting payments and no tracking balances by hand. Automatic reminders and AutoPay help keep everything on schedule.

Student Fundraising Links

Students can share personal fundraising links.

Lists and Reports

Access participant lists, payment reports, room lists, bus or flight lists, and more.

Mobile-Friendly Access

The dashboard is easy to access on the go.

Easy Bulk Credits

Apply group fundraiser or sponsor funds across student accounts.
